

To Our Customers,

We are instating an ordering policy and would appreciate your cooperation. The policy is as follows: All dealer orders will be acknowledged if placed via fax or email per your PO, or our in house order sheet. Please see our order sheet that is attached. Our order sheet is also available on our website at [www.allstonevermont.com](http://www.allstonevermont.com). Once we have received the order we will send a confirmation email or fax within 24 hours. Receipt of this confirmation indicates that we have received your order and have added it to our production list. The confirmation that you receive will notify you that we have received and acknowledged your order and will include an estimated date for the order to be complete. Unfortunately, in order to avoid delays and confusion, we can no longer take verbal orders.

On the ordering guide, please fill out top section completely and please number how many pallets of each product you would like. If you expect the load to be light (less than 46,000 pounds) please mark the product you would like to use to balance the load with a "B."

To place an order please fax to Allstone Corp at 802-875-6563 or email to [allstonecorp@gmail.com](mailto:allstonecorp@gmail.com) or [allstonecorpsales@gmail.com](mailto:allstonecorpsales@gmail.com).

Thank you in advance for your cooperation and as always, thank you for your business!
