Trucking

If you would like, we can arrange trucking for you, or you are welcome to arrange trucking to pick up your order. The trucks that we hire carry between 46,000 pounds and 48,000 pounds. Most of our pallets have an average weight of 3,500 pounds, crates of flats weigh 1,500 pounds, and crates of corners weigh 800 pounds. Please keep this in mind when placing your order. If your order is going to be under weight and you would like to balance the order with a product, please mark the product above with a "B."
